Subject: [External] Protect SC Sovereignty & Individual Health Freedoms

Dear Governor McMaster,

I am writing to follow up on the certified letter with the Ban the Jab Resolution and the Oppose the UN/WHO/WEF Resolution (*please see attached*). I would like you to know that many people across the state share our grave concerns regarding these issues.

Our group welcomes you to meet with us and to respond to the requests made in these resolutions. Please feel free to reach out to me to discuss further.

Best regards,

Heather Teichmann
